THANK YOU ALL!

It's that crazy thanksgiving time of year again!

Well, turkeys around the nation are getting more and more afraid. It's Thanksgiving and we'd just like to take this opportunity to thank each and every one of you for your support and loyal readership during the year. The magazine is getting bigger and better and we really couldn't do it without you guys. so thanks.

And to say a special thanks, we're going to be filling the mag with more cheats, more news and more blistering hot games. The Christmas period is approaching and you'll all be making decisions about which games to demand from Santa — so hopefully we'll help you in those all-important decisions.

FRANK'S TOP TEN!

'JUST LIKE DAVID
LETTERMAN'S.
ONLY NOT AS FUNNY!'

“Top Ten ways to destroy Bill forever”

10. SILVER BULLETS

Like a werewolf, Bill can be killed by silver bullets, but his corpse will tarnish if left out in the sun.

9. STEAK THROUGH THE HEART

Nope, that's not a misspelling — a large chunk of frozen USDA Beef rammed into his heart will cause the most direct kind of heart attack available.

8. WATER

If one were to sneak into Bill's 'Medicine' fridge and replace his favorite medicinal tippie with crystal clear spring water, Bill would be eaten away from the inside by the pure liquid. His system can only digest beer, hard liquor and Chicken Cookies..

7. ANTI-BILL

Like matter and anti-matter, if *Bill* ever came into direct contact with his disco dancing, bible thumping, milk drinking interdimensional alter ego, the resulting explosion would destroy not only *Bill*, but much of the known universe as well.

6. EUROPOP

ABBA, Aha, Kalagooqoo or the Spice Girls. Prolonged exposure to any of this music would result in Bill's death... or worse.

5. NECROTISING FASCITIS

A nasty flesh-eating bacteria which would make short work of Bill's corpulent form.

4. SCOTLAND

Bill is Irish and would obviously be beaten easily by any sort of Scotsman. We're thinking Sean Connery or the cast of *Trainspotting*.

3. CROSS DRESSING

Bill in a dress equals big explosion.

2. TURKEY

Turkey — the only solid food Bill can digest, other than Chicken Cookies. Remove it and he will perish. Let him eat Turkey and he grows stronger.

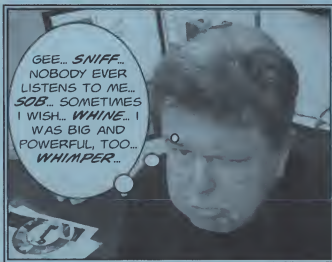

1. LAUNCH HIM INTO THE SUN

Truly the only failsafe method. Once his component molecules have been completely destroyed, there's no way back for Bill.

THE RINSING

EPISODE ONE — HEY, WHAT'S MY NAME? NO, REALLY...

It's a normal day at the UGP offices and mild-mannered Bill Donohue is having a conference with one of the staff writers. Little do either of them know that this is a day that will long live in infamy, and will end in the total destruction of the world as we know it!!! Pretty scary, huh, gang?

IS THIS THE START OF A NEW TASTE SENSATION OR MERELY THE BEGINNING OF THE END? TUNE IN FOR OUR NEXT EXCITING EPISODE: **HANG NAIL HALVAH OR MY SOCKS ARE SQUISHY!!!**
